WHO WE ARE

Do you believe in yourself?

We are the STAR INDIA Organization, a INDIAN-recognized pageant platform that celebrates the unique beauty of women across cultures. Beyond well-known, we remain relevant to mainstream culture, as we connect young women to their own beauty and help activate their voice.

We are a sisterhood in arms, a family of movers and shakers in beauty and business, poised to positively impact the status of women by bringing pageants to the everyday lives of everyday Americans – this is Pageantry Reimagined by STAR INDIA.

STAR INDIA – It's a word that amalgamates Style with Substance. STAR INDIA Miss & Mr. India is a Journey to the World of Glamour! A platform that aims to revolutionize the way Beauty Pageants are perceived by the World. STAR INDIA Miss & Mr. India 2021 is the First Ever Indian Beauty Pageant to be Directed Exclusively Online!

It's not just a Platform to demonstrate & recognize the untapped Talent & Potentials of Indian Youth but to drive a wave of Inspiration creating a domino effect across the Globe.

STAR INDIA Miss & Mr. India intends on Bestowing an Enriching Lifetime Chronicle Experience for the Participants that would enhance their Personalities and widen the Horizons of their Perspectives which they would have never discovered before participating in the Pageant.

VISION & MISSION

STAR INDIA has always been a youth centric brand, wherein seeing the depression and negativity the youth are facing today drove us into this little contribution from our side. The vision of this pageant is to spread smile, cheer and positivity among the youth in these difficult times. Leave no stone unturned, to help the future of our country, to gain some positivity through our endeavor for which reason our Pageant will be "Completely Free of Cost" for all the Contestants, which would include the registration as well as seven days training including grooming, photoshoot, ramp walk, health food & nutrition, makeup and motivational talk.

EMPOWERMENT

”

The STAR INDIA competition is not simply aimed at challenging our contestants, but more so pushing the boundaries of their believed limitations. This results in core self-empowerment of every young woman that crosses our stage as they learn that they are capable of more than they ever imagined!

INFLUENCE

Our new vision of pageantry will open doors, inspire opportunities and create a platform for women to amplify their new-found voice. We are aware that every unique package is worthy of presentation and so we will give you the tools to not only package and present yourself but also to claim your platform.

OUR INITIATIVES

No one knows the importance of giving back like the STAR INDIA Organization! We pride ourselves on keeping charity at the epicenter of all that we do through our national international partnerships. Throughout our years of committed service to our charitable alliances, we have seen the tangible impact of using our unique platform and access to resources, for the upliftment of organizations that serve the underserved and lesser supported segments of society. We mandate that our contestants and titleholders engage their leadership and in uence to positively impact these charities through their own volunteering, fundraising and advocacy e orts. we remain committed to keeping philanthropy as the crowning cornerstone of all that we do.
